

GETTING EVEN with the pros?—Daniel L. Williams, of Mokena, takes a swing at the name of one of his professors at Blackburn college. Profs names were painted on an old car and students — for a price — could take a sledge-hammer swing. Proceeds went to the campus Chest drive, for distribution to World University Service and the National Negro Scholarship Fund. Williams is a sophomore history major.

Blackburn is an independent liberal-arts institution, famed for its work-study program. Each student works 15 hours per week in partial payment of his education. The work program at the college was recently adopted by the U.S. state department as a form of foreign aid to college-poor nations.

Board Of Review Rejects Township Multipliers

The Will county board of review, by unanimous vote, has rejected all the township multipliers assigned by County Treasurer Leo Walvogel to be applied in arriving at the assessed valuation of real and personal property.

The multipliers were assigned by Walvogel, he explained, to bring the valuations on real estate up to 55 per cent of its fair market value so that the state department of revenue would give the entire county a factor of one.

A factor of one would mean that the amount shown in the published lists as the assessed valuation would not be increased. Walvogel contends that after the assessors had turned in their books the valuations as carried thereon were under the 55 per cent mark, according to the state department of revenue which threatened to assign a multiplier of 1.57 to the county. To prevent this, a spokesman for the treasurer said, Walvogel assigned certain multipliers to certain townships to bring the valuations up to 55 per cent. He stated that the highest multiplier assigned by the treasurer was 1.457 which is still substantially less than the 1.57 the state revenue department is said to have been ready to apply.

However, several of the assessors, among them Harold Smith of Frankfort township, assert that their valuations are 55 per cent of the fair market value of the real estate. The multipliers assigned by the

treasurer, as ex-officio supervisor of assessments, hikes the valuations beyond the limit required by the state department of revenue, they contend.

In a statement issued last Friday by Edward Liberty, county board and board of review chairman, stated that he would recommend that the review board reject all the township multipliers placed on assessments by the county treasurer. The board followed this recommendation at a meeting Monday.

It was also decided by the review board to "check sales figures of real estate in all townships to determine whether the assessors in most instances have achieved the 55 per cent level thru their quadrennial work."

If a township checks out at 55 per cent the assessments would be allowed to stand; if it doesn't then the board of review would apply the multiplier necessary to bring it up to the proper level, it was stated.

A question that has arisen now is whether the assessments should be published again after the board of review has completed its work on the grounds that the property owners will not know whether there have been changes in their valuations. State's Attorney Frank H. Masters, to whom the question has been referred, is asking the attorney general's office for an opinion.

In the meantime the board of review will continue to take complaints, it was stated.

Mokena C. C. Honors 4 Outstanding Citizens

The second annual awards night dinner sponsored by the Mokena Chamber of Commerce was held Saturday night in the Lincoln-Way high school recreation room with approximately 200 persons in attendance.

Honors were bestowed upon four local citizens, Mrs. Rose McMahon, president of the Mokena State bank; Mrs. Margaret O'Brien, local postmaster, Lawrence Kohl, civic leader, and Everett J. Cooper, cashier of the local bank and former mayor.

Background organ music was played during the dinner hour by Wayne Swanberg and members of the high school band served the guests.

The invocation was given by the Rev. Theodore M. Wimmeler, pastor of St. John's United Church of Christ and the benediction by the Rev. August J.

Buelmann, pastor of Immanuel Lutheran church.

Charles Swanberg, serving as master of ceremonies, welcomed the assembled guests and introduced Wayne Ryder, president of the Chamber of Commerce, who spoke briefly.

Andy Wicklein, Will County Farm Advisor, presented the plaques to the distinguished citizens and also gave a short background history of their accomplishments.

Following the presentation, Max Kuster, vo-ag instructor of Joliet township high school, gave the main address of the evening.

Traveling from Houston, Texas, Mrs. Delano (Grace) Wessels and Francis Moriarty of Findley, Ohio were present in honor of the recognition received by their mother, Mrs. Rose McMahon.

Miss Schmidt, Mokena, Dies: Rites Nov. 20

Christine Schmidt, 77, late of 11130 Second St., Mokena, died Nov. 18 at Silver Cross hospital following a short illness.

She was born Oct. 31, 1886 in Orland township and lived in this area her entire life.

She was a member of St. John's United Church of Christ. She is survived by three sisters, Mrs. Minnie Bielefeldt of Joliet; Mrs. Lillian Warming, and Mrs. Lydia Muller of Mokena. Three brothers, William of Orland Park; John of Joliet and Edward of Mokena.

She was preceded in death by her parents, Ferdinand and Emma Schmidt and a brother, Charles.

Removal was to the Hirsch Memorial chapel at Tinley Park and from there the body was brought to St. John's church in Mokena where services were conducted yesterday afternoon (Nov. 20) at 2 o'clock.

The Rev. Theodore Wimmeler officiated and interment was in St. John's cemetery.

Orland Fire Dept. To Hold Annual Dance

The annual fall dance of the Orland Park volunteer firemen is to be held this Saturday night, Nov. 23 at the Silver Lake Country Club.

Proceeds from the affair will be used by the firemen for improvements for the department and members are making every effort for a wide distribution of tickets.

Dancing is to begin at 9 o'clock and the music will be provided by Al Carver's orchestra, according to Fire Chief Arthur Granat, chairman of arrangements.

The tickets are \$1.50 per person.

These dances are well attended and those in charge are hopeful that this will be another successful affair as the department is in need of funds. The Orland Park fire department is a volunteer group and while the village does contribute to its support the department is largely dependent on public donations.

U. S. Has \$14-Million Ready For Work On Gap In FAI-80

The U.S. bureau of roads, which is putting up 90 per cent of the cost of the interstate highways now under construction in the nation, has \$14-million dollars on hand now to apply on construction of the FAI-80 segment between Hazel Crest and Joliet.

This information was obtained by the delegation of south suburban mayors that accompanied Francis S. Lorenz, director of the Illinois department of public works and buildings, to a conference with Rex Whitton, federal highway administrator at Washington.

The mayors that attended the meeting were Maurino Richton, of Chicago Heights; Leonard E. Olson, of Homewood; Elmer Turngren, of Harvey; Patrick M. O'Block, of Hazel Crest, and Ralph Parkes, East Hazel Crest. They would like to see the government put the \$14-million to work.

Mayor Richton, speaking for the south suburban communities, told Whitton that they are anxious to get work going on the FAI-80 link between Hazel Crest and Joliet. They want the project completed as soon as possible in order to reduce the burden of traffic that now falls on U.S. 30 and U.S. 54, causing a serious congestion. But that is not the most important reason, it was stated. FAI-80, Richton pointed out, would not only funnel traffic off other roads in the area but would also open the territory to industry and commerce.

The mayors made it plain to Whitton that they are not interested in the controversy between the Illinois highway department and the Illinois tollway commission relative to the linking of FAI-80 and the tollway at Hazel Crest.

They figure that is something for the state to figure out. What they are interested in is getting work started on the grading of the highway and the building of the grade separations. Last year a spokesman for the state highway department said that the grading between Hazel Crest and Joliet would be practically completed in 1963, as well as the grade separations. So far the only work that has been done is on a grade separation on 183rd st., east of Tinley Park.

Whitton, it was reported, like the mayors feels that the problem of buying or leasing a section of tollway, or arriving at any other answer to the connection of FAI-80 at Hazel Crest is a state problem and must be settled by the state without federal help.

Chicago, it is said, has a hungry eye on any highway dollars it can see at Washington and it also would like to have the government purchase the Calumet Skyway toll strip. Any bill introduced in congress to buy any segments of tollway in Illinois, observers at the capital say, would get more amendments than a rivers and harbors measure. Every toll commission in the country that had some sections that weren't producing sufficient revenue would want to get in on the act, it was stated. The chances of such a snowball bill passing would be slim, according to those familiar with the ways of congress.

Several years ago, about the time Illinois was completing its toll roads a national magazine carried an article to the effect that toll roads were finished, that the expressways being built by states or the federal government with some contribution by the states would siphon traffic away from the toll systems. Whatever is the cause the fact remains that tollways are hurting because of reduced revenues, it was brought out by the toll commission in its regular reports this year. The state would like to have the federal government come up with enough money to buy a piece of the tollway at Hazel Crest but the federal govern-

ment isn't buying such a package, Lorenz is said to have been told.

It was the hope of those interested in seeing work expedited on FAI-80 construction that the state highway department and tollway commission will reach an agreement shortly.

State Representative Edward Derwinski accompanied the mayors to the conference with Whitton. Some months ago Derwinski was contacted by leaders in the area who complained that they understood the federal government was responsible for the delay in pushing work on FAI-80. Derwinski investigated and at the time informed the complainants that the heel dragging was at Springfield.

The delegation that went to Washington last week also have asked Senators Dirksen and Douglas to lend their support in getting some action on completing the missing link of FAI-80 in Cook and Will counties.

2 Die When Metal Ladder Touches 7,200 Volt Line

Two workmen are dead and two others escaped with minor burns last Friday when an aluminum ladder they were "walking up" to a barn came in contact with a power line.

The four men were preparing to roof a barn on the Emil Groth farm on 84th avenue in Frankfort township.

Killed from electrical shock were E. Stanley Miner, 18, of 1388 N. Cooper st., New Lenox and Frank Thurston, 18, of 116 S.E. Circle Drive, Joliet, and formerly of New Lenox.

Suffering slight burns were William Bishop, 52, of the Bishop Roofing Co., Manhattan, and Fred Mau, Jr., 20, of 919 S. Ogden, New Lenox.

Miner, Thurston and Mau were employees of the roofing

firm. The three, with William Bishop, were raising a 30-foot ladder to reach the roof of the barn when it accidentally touched a 7,200 volt line. The four men with the ladder were knocked to the ground. Robert E. Bishop, 20, Joliet, another member of the crew was on the opposite side of the barn when the accident occurred. When he walked around the building he saw the four men sprawled on the ground and went for help.

The Baskerville ambulance was called but Miner and Thurston were believed to have died shortly after suffering shock. Mau and Bishop had minor burns and first aid was sufficient.

Funeral services for Stanley Miner were held Monday afternoon from the Haley funeral home at Joliet with burial in Woodlawn cemetery. He was a former student of Lincoln-Way high school, as was Thurston. He had been employed by the roofing firm only a few days. Young Miner is survived by his father, Charles, two sisters, Mrs. Frances Lee, of Channahon, and Mrs. Deliah Robert, of Joliet, and three brothers, James, Charles and William all of Joliet.

Funeral services for the Thurston youth also were held Monday afternoon, from the Tapella chapel, Joliet.

He is survived by his wife, the former Pat Day, his parents, Mr. and Mrs. Vinal Thurston, and a brother John, of Joliet. He had been in the employ of the roofing firm for several months. Prior to that he had worked at the Electro - Motive plant at LaGrange.

BRADLEY JUNIOR Marilyn Ambuehl, of Mokena, discusses Bradley university Scholar Program with Dr. Les Brune, director of the newly inaugurated program. Miss Ambuehl is one of eight juniors honored by selection in the program on the basis of academic excellence.

Honor Mokena Girl For Academic Excellence

Junior Marilyn C. Ambuehl, daughter of Mr. and Mrs. Donald R. Ambuehl of 10900 Front st., in Mokena, has been accepted into the Bradley university Scholar's Program this fall.

A total of 53 freshmen and eight junior engineering students and a scattering of upper-classmen from other fields are participating in the program which was inaugurated with the start of classes in mid-September. The university-wide program is the result of five years of planning by Dr. Les Brune, assistant dean of the College of Liberal Arts and Sciences and director of the program.

The project is designed to provide opportunities for study that will challenge the academically gifted student and which will demand a high level of intellectual achievement. Freshmen participating in the program must have ranked in

the top 10 per cent of their high school graduating class or have scored over 1,200 on the college board entrance examination. The highest possible score on this test is 1,600 and the average score approximates 450.

According to Dr. Brune, the final decision to enter the program is voluntary for the student. Brune reports, however, that few who were honored by the invitation turned it down.

While attending high school, Marilyn was active in the National Honor Society, in Mu Alpha Theta, in the Future Teachers of America, in the Girl's Athletic Ass'n, and in the Phi-Chem Club. She is currently participating in Gamma Delta sorority, and in the Independent Student's Association at Bradley.

A major in chemistry, Marilyn hopes to become a chemist upon completion of her education.

Mobile Crane Crushes Foot Of Sewer Worker

Daniel Marshall, 19, of Frankfort and formerly of Mokena, is in Elmhurst Memorial hospital with severe injuries to his left leg and foot as a result of an accident while at work with crew laying sewer tile.

The accident occurred at Elmhurst Nov. 11, on a sewer installation contract held by Blaine Saxton, of Mokena, Marshall was directing the laying of tile that was lowered into the ditch from a crane mounted on a "cat." The "cat" was operated by Donald Doctor.

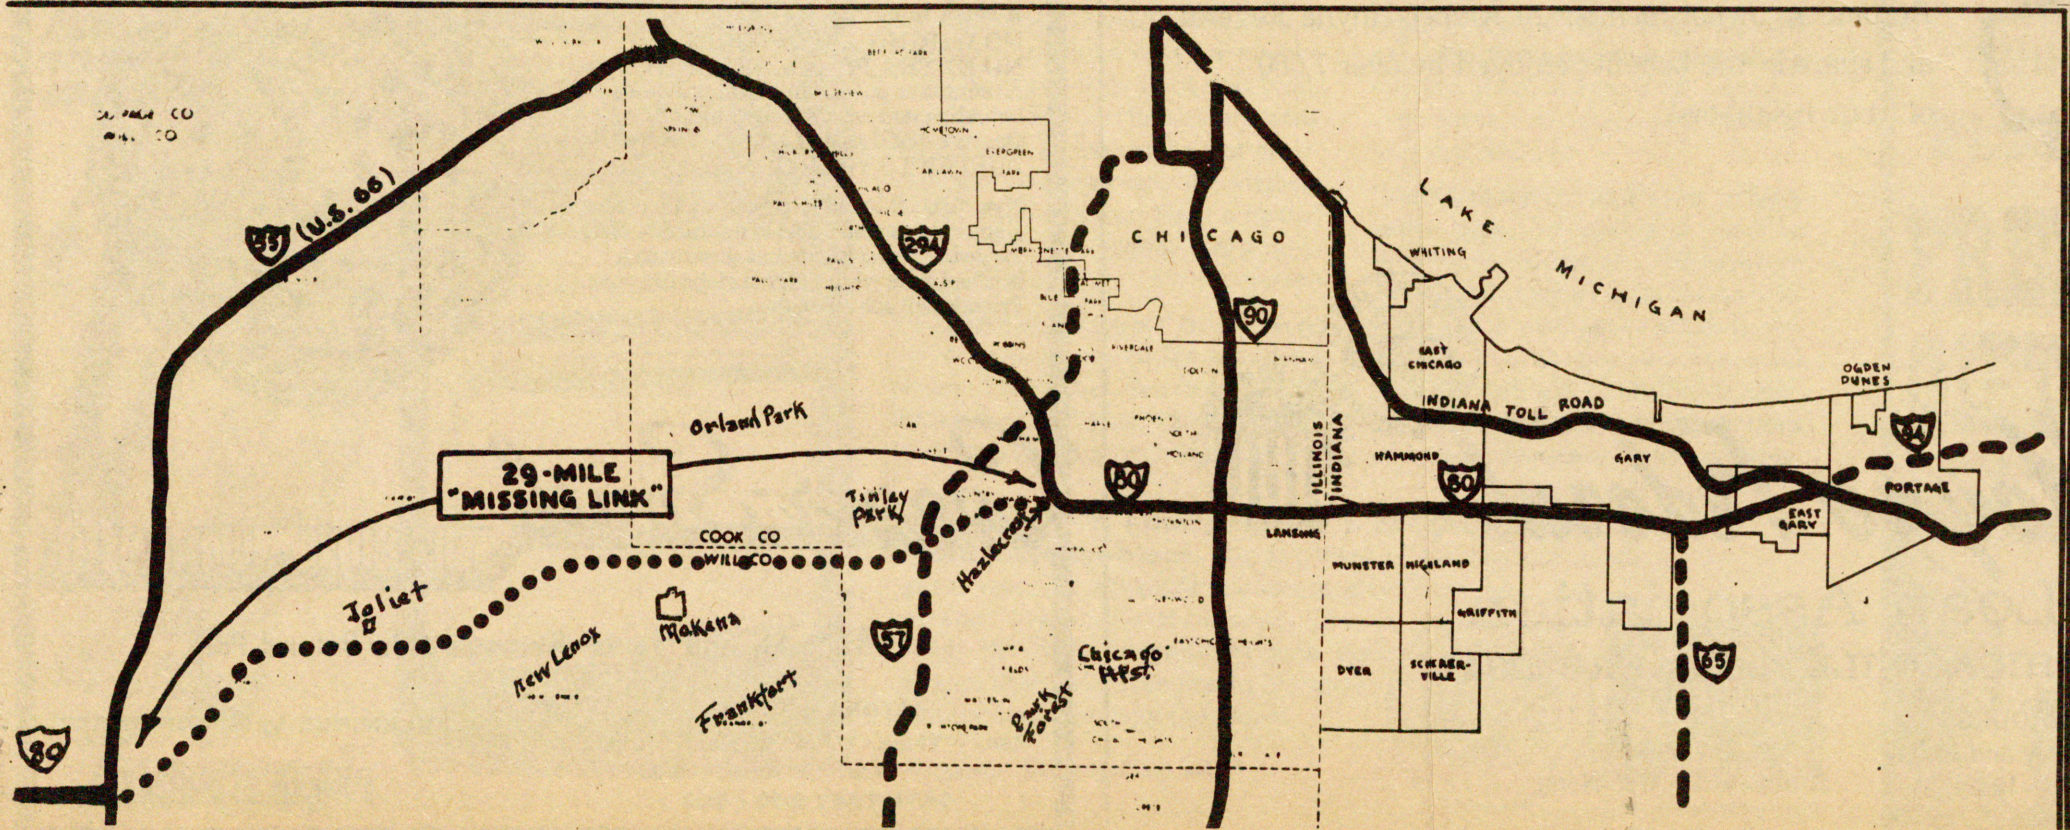

It was reported that in maneuvering to get the rig closer to the mark Doctor backed it up. He didn't see Marshall and while the latter shouted there was too much noise for him to be heard, Marshall tried to get out of the way but couldn't

make it. One of the tracks ran over his left foot and the lower part of the leg. There were multiple fractures of the foot and there are two breaks in the leg bone below the knee. The right leg was injured but there were no fractures, it was said.

It was first believed that it might be necessary to amputate the left foot but on Monday of this week attending physician said Marshall would retain his foot, altho it might be necessary to remove a toe.

The injured youth is the son of Mr. and Mrs. Arthur Marshall, of Mokena. He was married recently and his home is now in Frankfort.

Marshall was one of the workmen injured several months ago in an accident at the Andrew Corporation plant, Orland Park.

Frankfort Board Gett Gets Ready For Winter Work Something Different For Xmas? Want Ads Have It

When the calendar has reached this stage snow can arrive most any time and the village board at Frankfort is getting equipment ready for it. The board also brought up the subject of snow removal at its meeting this week and went on record as reminding the public of the ordinance it adopted last year. The ordinance provides that cars must be kept off the streets at night when there is snow of certain depth so the snow removal crew can operate.

The pertinent paragraph in the ordinance reads as follows: "When snow accumulates to a depth of two inches or more as measured at Hickory and Kansas streets, it shall be unlawful to park a vehicle upon any street in the village of Frankfort between 8 p.m. and 8 a.m. following said snow."

The penalty for violations can range from a fine of \$5 to one of \$50. At the meeting Monday an ordinance was adopted amending the annexation ordinance to change the classification of a parcel of property owned by Harlan and Grace Eisenbrandt from R-1 to B-1.

Village Clerk Walter Pfaff reported that the pump which has been down for repairs is still not operating properly. It was announced that a 2-inch line has been run to the Community park to provide water for the skating rink the Lions club is building there.

The task of buying candy for the Frankfort school children has been turned over to Trustee Robert Dean. This is an annual Christmas treat furnished by the village board for more than a quarter century. Last year the candy was lost in transit from Chicago and the board had to make it an Easter treat instead of one for Christmas.

Mayor George Sangmeister and Trustee Daniel Hecht were the only elected officials from Will county to attend the Civil Defense school at Aurora. Attendance was slated to bring accreditation to the Frankfort CD unit.

Still Openings In Basketball Programs At "Y"

George Little and William Nicholl, co-directors of the Palos-Orland Y.M.C.A.'s Boy's basketball program announced that there are still openings in the Biddy basketball and Jr. Young Men's basketball programs that get underway this Saturday, Nov. 16.

Ages for both programs are computed as of Sept. 1, 1963. Biddy basketball is 9-12 year olds not over 5'6" tall and who are not playing varsity basketball. Jr. Young Men's basketball is for 13-15 year olds with no height restriction but the players must not be playing varsity ball.

Applications for the 16 week program may be obtained from the Palos Sports store or the "Y" office.

More detailed information may be obtained by calling the "Y" office at 448-3883.

An unusual ad appears in the want ad section this week under the general classification, "For Sale."

It is brief and to the point: "School bell," it says and there is a telephone number.

A call to the number revealed that the seller is Don Atterberry who lives on Leila Drive, Arby Hills, a subdivision north of Mokena off the Marley road.

Mr. Atterberry, it was discovered, is a collector of bells and while collectors seldom part with any of their treasures except to trade with some other collector, sometimes a practical situation crops up -- such as space, for example.

This bell Mr. Atterberry is prepared to sell measures 22 inches across the mouth -- if that is what one calls the open end of a bell -- and that plus the fact that it has a wheel or pulley at the side for putting the instrument in operation one can grasp that it could crowd some of the other bells in his collection. If one has tried to share a bus seat with a person weighing 300 pounds, he gets an idea of how the other

bells may feel with this Old Schoolmaster on the shelf.

The bell in question came from a school at Petersburg, Ill., where Mr. Atterberry formerly lived. The school was torn down some years ago and at the time the bell was as old as the building, which Mr. Atterberry believes was 60 to 70 years old then.

It is a cast iron bell and as one could expect of a school bell it has a clear, commanding, no-nonsense -- now tone. Some people who like bells may find this one to be just what they wanted.

One could put it up on a post, especially if he has some acreage, and it would serve to announce meals, a telephone call, or a private curfew to round up the kids.

What with Christmas coming on here is an item that should appeal to those who like to give something different. And if you are looking for something for the man or the woman who has everything just ask yourself this -- does he or she have a cast iron school bell?

What's keeping you! Get going!

U. S. Grand Jury Looks Into Tinley S&L Closing

(CNS) A federal grand jury last week began hearings in the closing of the Tinley Park Savings and Loan association, with a pay-out of \$19 million of government insurance.

Subpoenaed early was Kenneth Katschke, former president, who came in Thursday afternoon with a large cardboard box full of records and two attorneys, James V. Ashenden, Jr., and Burton H. Young. He stayed in the grand jury room over an hour while his lawyers waited outside, but had no comment.

A witness at the morning session Thursday was Dr. Leonard Tilkin, former operator of a string of nursing homes and now a psychiatric consultant at Dixon state school and also in private practice.

He was asked to bring records on a \$1,600,000 loan by Tinley Park in October, 1961, to his Vincennes Manor Nursing home, 4724 Vincennes, now in foreclosure. The county moved 558 relief patients out of Tilkin homes because of alleged substandard conditions.

Dr. Tilkin, whose coat and hat were minded outside the jury room by Miss Earnestine Platt, of Skokie, former corporate secretary of Tilkin Management Co., also declined to discuss

his testimony afterwards. "I had a story to tell you once but no one would listen, and now I don't want to say anything," he said, in hurrying toward the elevator with Miss Platt.

CHARLES J. RUZICK, 8227 W. 131st Pl., Orland Park, has been selected as the outstanding sales representative of the year in the Transportation Equipment Division of Butler Manufacturing Co.

Ruzick, who works out of Butler's Chicago office, received a silver cup at the annual meeting of the Cup Club, the company's honorary sales organization in Kansas City. He automatically becomes a vice president of the club for the next year.

Ruzick has been with Butler since 1954, and a member of the Cup Club six years.

Observe Education Week In Mokena Grade Schools

Telephone: 479-3521
Mokena Schools observed American Education Week by conducting parent-teacher conferences and holding a local teacher institute on guidance. On Tuesday, Nov. 12, the students were excused from school for the day so that the teachers could attend the local institute and prepare for the afternoon and evening conferences. Many local school districts are now conducting their own institutes now that the law makes county institutes permissive rather than mandatory.

In the morning, Donald Imig, Will county guidance coordinator spoke to the teachers about the services that were available thru the county office. He reviewed the county testing program and discussed various ways of interpreting tests to the parents. He concluded his remarks by explaining the full use of an individual cumulative folder for each student.

The teachers then heard H. E. Jacobs, a representative for Nystrom Map & Globe Co. discuss various uses and techniques for using maps and globes. Many interesting ideas were presented by Mr. Jacobs for teachers to consider and try.

In the afternoon, as a part of the institute as well as an observance of American Education Week, the teachers invited parents to come to school for conferences. Recent testing results were discussed, as well as the progress of the student for the first nine weeks of school. Each conference was 15 minutes, and arranged by appointment thru the PTA room mothers. Each PTA room mother had an appointment schedule for the teacher. The parents were notified that if they wanted to speak to the teacher, they should call the room mother for an appointment. Parents were most responsive. They showed genuine interest in their children and in the school by turning out, 79% of the parents of Carpenter Street school students and 95% of the parents of Willow Crest school students attended the conferences.

John W. Funk of Kohlwood Estates, Mokena, was honored at a dinner party given Saturday, Nov. 16, by the fellow workers of the plant department of the Illinois Bell Telephone Co. Funk was promoted to traffic engineer. Thirty nine people were present for dinner, held at the Blue Willow Restaurant, Lockport.

Chief Master Sergeant Charles W. Sellers, son of Mrs. Argonne Sellers of 19710 W. 193rd st., Mokena, has graduated from the Tactical Air Command Senior Noncommissioned Officer Academy at Langley AFB, Va. Sgt. Sellers is an aircraft maintenance superintendent.

The Women's Guild of St. John's United Church of Christ will meet Thursday, Nov. 21. Dessert-coffee will be served at 1:30 p.m.

Devotions and the topic "Understanding Ourselves as Christians in Today's World" will be led by Mrs. Clarence Lauffer.

Those serving are Mrs. Fred Cappel, Mrs. Ernest Mc Mahon, Mrs. Edwin Yunker, Mrs. Robert Deforest, Mrs. Ed Sch-

A card party will be held at the VFW hall on Wolf road, Saturday, Nov. 23 at 8 p.m. Hostesses are Mrs. Russel Stankus, Mrs. James Murphy and Mrs. Dorothea Roesner.

The public is cordially invited.

At the Nov. 7 meeting of the Ladies Auxiliary VFW 725 it was decided to have a Christmas party for the members on Dec. 5 at 8 p.m. There will be a \$2 gift exchange and a pot luck lunch will be served.

Mrs. William Hawkins and Mrs. Robert Karlson were accepted as new members.

Conrad Mark, Ways and Means chairman of the Lincoln-Way Band Boosters, announces the distribution of the annual decal car stickers will be mailed to area residents starting this week.

The decal has a number which will be registered in the individual's name, and is suitable to be placed on the windshield of cars and trucks, designating them as residents of their respective villages of Manhattan, Mokena, New Lenox and Frankfort. The outline of the state on the sticker shows the home community, in the school colors of black and red.

The number shown on the base of the lyre is registered and could be used as identification in case of a stolen or wrecked car.

There is no stipulated fee being asked for the sticker, but donors have been contributing one dollar per sticker. Additional stickers may be secured by contacting band members residing in the four communities.

The PTA will meet at the Carpenter street school Tues-

day, Nov. 26 at 8 p.m. Mrs. Michael Kruck, a graduate of Illinois State Normal university will explain what special education is and how we availed ourselves in the program and are assisted by the state.

Miss Mary Donahue will give a five minute talk on legislation. She will have material available to show what is being done here and in the district with the EMH program. A question and answer period will follow.

Mrs. Russell Bennett, room-mother chairman, stated the parent-teacher conferences were a success this year due to the work of the dutiful room-mothers in arranging conference schedules for the parents convenience. Room-mothers are: Mrs. Robert Kremd, Mrs. Ervin Friant, Mrs. Marvin Weitendorf, Mrs. Harold Homerding, Mrs. Ray Ebert, Mrs. George Haehnlein, Mrs. Steward Shoop, Mrs. Edward Langland, Mrs. Charles Robert Morrow, Mrs. David Tyler, Mrs. George Bernard, Mrs. Eugene Horwath, Mrs. James Survick, Mrs. Ernest Westphal, Mrs. John Richeson, Mrs. Elmer Palka, Mrs. Richard Stroth, Mrs. Walter Niedringhaus, Mrs. William Welsch and Mrs. Anthony Laurie.

The second grade mothers will serve refreshments.

Gerald W. Bennett, gunner's mate first class, USN, son of Mr. and Mrs. George R. Bennett of 19725 Mokena St., Mokena is serving aboard the dock landing ship USS Fort Marion which recently completed two weeks of amphibious exercises.

The ship has returned to its normal base of operation at San Diego, Calif.

St. Mary's Holy Name Society will sponsor a "Las Vegas" party at Consola's restaurant on Saturday, Nov. 23 at 8 p.m. Donation: \$1. Al Sondergaard is chairman of this event.

St. Mary's medical mission group will meet at the social center on Monday, Nov. 25, from 10 a.m. to 2 p.m. Mrs. Vera Mansfield, chairman.

St. Mary's Christmas bazaar will open with a ham dinner on Thursday, Dec. 5 from 5:30 p.m. until 7 p.m. The bazaar will continue on Dec. 6 and Dec. 7 from 9 a.m. to 9 p.m. Christmas cards, trees, toys, hand-sewn clothes, aprons, pillow cases and many more items will be sold.

Miss Irene Kluth is the chairman and Mrs. Mary Halfacre, co-chairman.

Fifty-eight persons attended the guest night meeting of the Mokena Woman's Club held in the fellowship room of the Methodist church, Miss Dew Dailey, of Joliet, gave an informative and descriptive talk on her travels to Brazil and Peru, with the use of colored slides.

Mrs. Vernon Lankenau, first vice president, presided at the short business meeting preceding the program.

The General Federation of Women's clubs is favoring the support of the "Dimes for Liberty" drive to which each local club is asked to contribute. The monies received are to be used to complete the pedestal of the Statue of Liberty.

Mrs. Louis Richards, hospital chairman, still needs old magazines to distribute at their monthly visits to the Tinley Park State hospital. The next visit is set for Tuesday, Nov. 26, and any club members having magazines are asked to contact her prior to the above date.

It was voted to have club members contribute to the Future Nurses scholarship fund of Lincoln-Way high school at the December meeting, in lieu of a Christmas gift exchange.

The December meeting will be held in the home of Mrs. Robert Best, Arby Hills, Monday, Dec. 9 at 8 p.m. The meeting will consist of a talk on the different stages in making ceramics. Several vocal selections will be presented by a girls' ensemble, under the direction of Mrs. Jean Clarke, vocal instructor of the Mokena public grade schools.

Hazzard Parks, director of Marcy Center of Chicago, will be the guest speaker at the general meeting of the WSCS of the Methodist church this evening

smokeless broiling

Yours with Modern Gas Ranges

There's nothing like gas flame for cool, clean, closed-door broiling. No need to heat up and smoke up your kitchen... gas gives you truly smokeless broiling. The friendly gas flame completely burns up the greasy smoke that otherwise would escape into the kitchen. (Make your own test. Hold a lighted match above a burning cigarette... watch the flame "eat up" the smoke.)

"Flame-kissed" broiling. Flavor is flame-sealed for succulent, tender results. Not desert-dry, dehydrating heat, but pure, "flame-kissed" broiling, as in fine restaurants.

Instant on - or off! No lengthy warm-up period when you broil with gas... the flame responds instantly to the turn of a dial. Turn it off... presto! -no flame-no "carry-over" heat to linger on and on!

"Automatic" means more with gas. Set baking or roasting time-then forget it... temperature controlled burners prevent burned food... each automatic feature is better because of the precise heat control possible with gas. Only the friendly gas flame gives the subtle variations of heat so necessary to fine cooking.

When you're shopping for a range, look for the Gold Star emblem. It's a symbol of excellence in modern gas ranges-30 advanced features to give you cleaner, cooler, faster cooking. Choose from the wide selection at your appliance dealer's or your nearby Northern Illinois Gas Company showroom.

A FEW THINGS TO CONSIDER when using the map of I-80 showing its relationship to the southern suburbs:

1) A road system through the American manufacturing belt is in existence, now. With only a few connections now under construction yet to go e.g., Detroit (I-94) and the Tri-State-Indiana toll road, this system is already serving the states to the east with easy access to this region.

2) This region sits athwart the main east-west highway connecting the great metropolitan areas of the nation, i.e., New York, Los Angeles and Chicago. To be correct, the great metropolis that stretches from Boston to Washington is tapped by

this route.

3) From this southsuburban region express highways will shoot out like spokes on a wheel -- I-90 to Wis-Minn; I-94 to Detroit-Windsor-Montreal; I-65 to the Southeast; I-57 to the South; I-55 (which is the present day U.S. 66 and at this time the best route to the west coast) will branch out to the southwest; and I-80 reaching to the east (into the region described above) and to the West and Northwest coasts. Thru traffic will traverse this road, of course, and relieve much of the present day highway snarl; but, more than that, plant location in this region will find a positive argument in the ease

of reach all U.S. markets by road.

4) The vast steel producing complex along the lake front -- stretching from 87th street in Chicago to the plants soon to be built in the dunes area -- makes this area one of the greatest producers of this essential ingredient to production. The present capacity of the mills in the Chicago region -- all of this in the southern segment -- is approximately 30 million tons a year. This is a production capacity on a par with that of Western Germany! And the productive capacity of the older mills is being increased and new mills are being added!

5) The south suburban area is directly on the Illinois waterway, with the potential for direct water transport to the Mississippi-Missouri-Ohio river systems. The Cal-Sag channel is being widened to 225 feet from the present 60 foot channel which will make it possible to large, integrated tows of barges to move from the Chicago port in Lake Calumet thru the region to the inland waterway system (at present such tows must be broken up at Joliet). These facts are mentioned only to present the picture of the possibilities of future expansion of the region.

Visitor From India To Preach At St. John's

Mai Singh Das, pastor and student from India who is here studying for his Ph.D. in sociology, will be the preacher at the 10:45 morning worship service of St. John's United Church of Christ, Mokena. He will also be in attendance at the Sunday school at 9:30. The visitor will show colored slides of the work that is being done in India. This will be at the conclusion of a fellowship dinner to be served at the church at noon Sunday, following the service. The public is invited to both the service and the dinner, it was announced by the Rev. Theodore C. Wimmeler, pastor of St. John's.

The speaker is a native of Allahabad, India, of a Hindu family that has adopted Christianity. He has a bachelor of science degree from Ewing Christian college and a B.D. degree from Leonard Theological college, both in India. He has a Th.M. degree from Princeton university (1960); an M.A. (in education) from Morehead State college and is now studying for his doctor's degree at the University of Chicago. In the evening at St. John's the Youth Fellowship is to show the movie, "Martin Luther". This is to be at 7 o'clock and the public is invited.

Elsewhere in this issue you will find the scholastically elite at Lincoln-Way. We're referring to the Honor Roll for the first quarter.

In the 3,50 to 4,00 average group there are four seniors, 12 juniors, eight sophomores, and 15 freshmen. Of this top, or high honor roll group, seven were straight "A" or 4.00 average. The regular honor roll list contains 118 names of L-W students, making a total of 157 people who qualified for honor recognition this first quarter of the 1963-64 school year.

Those students who completed the quarter with a 4.00 average are: juniors George Janer and Ronald Parchem; sophomores Robyn Facinelli, Chris Klasing and Marsha Peterson; and freshmen Thomas Hartnell and Connie Jo Van Rheeden.

Tomorrow, Nov. 22, the Girls Glee club, Singing Knights and Sophomore Chorus will conduct a singing tour at adjoining Plainfield, Morris and Providence high schools. Richard Johns will direct the Girls Glee Club and Tom D. Olson will direct the other two groups in their performances. Michael Cullen, Charles Johnson and Michael Hart will have solo numbers, and Lynne Stauffenberg will perform as student conductor.

On Nov. 14, parents of the L-W wrestling teams were shown some of the techniques used in a wrestling match. Coaches Ron Meleney and Dan Wisniewski had a program of demonstrations for the large group of about 300 parents to witness.

Last Friday, five L-W seniors were inducted into National Honor Society during a morning assembly. They were Herbert Grotewold, Carole Hammond, Ronald Kokal, Susan Lauffer, and Susan Mazurek. These exceptional students

At the annual banquet, Donald J. Jurgens, representative of Illinois Bell Telephone Company, gave a talk-demonstration on space communication. Nine Lincoln-Way students will journey to Bloomington tomorrow, Nov. 22, to participate in the Invitational Speech Tournament at Illinois Normal University. They are Michelle Chuck, Pam Hartung, Terrie Hearn, Linda Lillivick, Terry Nolan, Sue Novak, Pam Petnuch, Jo Van Rheeden, and Nadia Zemeske.

Adams Sees Good Year For Sandburg Cagers

BY MARVIN MILLER

Altho their first game is a week away, the intra-squad scrimmage Friday will mark the official opening of the 1963-64 basketball season for the Sandburg cagers.

"We are looking forward to a winning season," Bill Adams, head basketball coach, said. "Seven of our boys saw a lot of action last year, so we are going to put a seasoned team on the floor."

Adams and assistant Gerald

were not only the honor members at the impressive ceremony, but were joined by their parents who were present to witness the event.

School visitation held Nov. 13 and 14 of last week in observance of National Education Week, was attended by more than 100 parents from the Lincoln-Way area. For many, the observation of actual classes in progress was an enlightening thing to behold. The classic comment, "This is certainly different from the way we remember high school," was probably the feelings of many of the parents who came to Lincoln-Way last week.

Just so you can make a note of it for future reference, Dec. 3, is college night at Lincoln-Way. All parents and students interested in talking to the 45 college representatives who will be here, are encouraged to attend this event.

L. David Schuelke, director of speech Activities at Lincoln-Way High School, attended the Illinois Speech Association held Nov. 8 and 9, at Springfield. Sectional meetings were held at the convention, at which problems of the new speech teacher were discussed and demonstrations were provided in costuming, acting, directing, forensic union audience participation debate, and closed circuit television.

At the annual banquet, Donald J. Jurgens, representative of Illinois Bell Telephone Company, gave a talk-demonstration on space communication. Nine Lincoln-Way students will journey to Bloomington tomorrow, Nov. 22, to participate in the Invitational Speech Tournament at Illinois Normal University. They are Michelle Chuck, Pam Hartung, Terrie Hearn, Linda Lillivick, Terry Nolan, Sue Novak, Pam Petnuch, Jo Van Rheeden, and Nadia Zemeske.

According to Senator J. Glenn Beall (R.-Md.), "Diplomacy is the art of saying 'nice doggy' until you have time to pick up a rock."

Abrahamson will begin with six returning lettermen, including James Roberts and Dick Hlavek, two of the leading scorers in the conference. Roberts is a 6' 6" center and Hlavek, at 6' 1 1/2", fills a guard spot.

The Eagles will have plenty of height. In addition to Roberts at center, Bruce Hylink, at 6' 8 3/4" is expected to see action. On the forward line, Adams plans to use senior lettermen Jim Foley (6' 4") and Jeff Crow (6' 3 1/2"). A junior, Chris Hill at 6' 1" is also expected to see action at forward.

The team has three returning letterman guards. They are Hlavek (6' 1 1/2"), Wayne Wagner (6' 1 1/2"), and all-state football halfback Ernie Sharpe at 5'11". All are seniors.

Other guards expected to see considerable action are Jim Schroeder and Steve Rodgers. The regular season opens next Friday and Saturday against Proviso West and Hinsdale. Adams expects both to be good games.

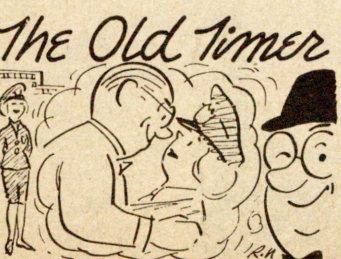

"Proviso has their two high scorers back this season," he said. "They will be tough. They also have two or three of their regulars last season still."

"Hinsdale," he said, "was mostly juniors last year. All of them, except their center, will be back. But we expect to give both team a good run."

Adams, who has been varsity coach for the past six years, has been with District 230 for 13 years. In 1959-60 and again in 1961-62 his teams have been conference champions, going undefeated the last time.

Last season, the team had a total of 13 wins and 12 losses and finished third in the conference, the lowest the Eagles have ever finished. "It's our time to win again," Adams said. "The conference should be a real good race this year, though. All the teams have a number of experienced players returning."

Season tickets for the Eagle home games are on sale now at the Sandburg bookstore. Student admission to the 10 home games is \$4.50; adults, \$9. The tickets do not include admission to tournament play.

"A pretty policeman could induce some men to take the law into their own hands."

Lashmet To Devote Full Time At L-W To Teaching

Jonas Lashmet, Lincoln-Way's first varsity football coach, submitted his formal resignation to the board of education last Thursday night. Coach Lashmet had previously indicated his desire to give up his athletic responsibilities at the time of his appointment as new director of guidance and counseling.

Lashmet was one of the first teachers employed at Lincoln-Way after serving two years in the Staunton, Ill. high school which followed his graduation and successful athletic career at Illinois Normal University.

In addition to Lashmet's football assignment, he was head baseball coach for six years and assistant in basketball for three years along with his regular teaching assignments in P.E. and social science. Four years ago he was appointed assistant director of guidance and counseling, devoting full

time to this assignment.

Altho Lincoln-Way has never won a Southwest Suburban Conference football championship, the same situation holds true with four other member schools. L-W has always been handicapped in football by material and lack of general enrollment, being the smallest school in this tough Conference. In spite of these problems, every Lashmet team has always made an excellent showing and always finished the season very strong. This past season was no exception after the team lost five consecutive Conference games it upset the strong Bremen and Oak Lawn teams to make a fitting climax to Coach Lashmet's farewell.

In accepting this resignation, the Board of Education appointed a committee to consider applications and to make recommendations for naming a successor for the 1964 season.

Guidance Tests At L-W To Be Held Nov. 26-27

All students at Lincoln-Way high school will participate in a testing program Nov. 26 and 27, designed to provide parents students and teachers with additional information regarding each student's ability. Results of these tests will, in no way, affect the individual grade record of the student, but will serve as a part of the guidance materials needed to help the individual prepare himself for life after high school.

Under the direction of Jonas Lashmet, guidance director, the various tests will be administered next Tuesday and Wednesday, prior to Thanksgiving vacation. "It is probably well to remember," said Mr. Lashmet, "that these tests are always given in terms of how the student compares with other people who have taken the test. The scores are shown as percentiles and indicate where the student stands in the large group of students who have taken the tests thruout the nation. The scores, in no way, determine the marks a student gets on his report card, and the tests are just one of the many guidance tools used at Lincoln-Way to help the student get the most out of his educational opportunities."

Parents or students who are interested in reading more about these tests may find complete details in the Lincoln-Way Community High School Handbook, on

pages 33-35. Probably the most important point for students to remember about taking these tests is to do their best just as if it was a test in a regular class, it was stated.

Parents Attend Annual Open House At School

MRS. EDWARD HOVI
479-5740

The Summit Hill Parent-Teacher Group held their meeting for the month of November on last Thursday evening, Nov. 14, at the school. The evening consisted of a short business meeting during which the sale of magazine subscriptions by the upper grade school children.

The business meeting was followed by an open house of the school classrooms. Each child's desk displayed some of his handiwork done at school thus far this year. The parents and other interested guests were invited to browse thru the classrooms to see what is being done in our school this year.

There was a good turnout for this once-a-year open house at the school, and surely the parents did derive some new insight into the workings of the school, and also their children.

The Parent-Teacher Group will not have any business meeting for the month of December. There will be, instead, a Christmas Program entitled in the annually printed booklet of the Parent-Teacher Group as: "A Student's Expression of Christmas."

The students' program will be under the direction of Mrs. Gilbert, the fifth grade teacher, which will include students from the fifth through the eighth grades. The Christmas program will be held at the school on the regular meeting night, Dec. 12, at 8 o'clock.

The eighth grade students are working very hard on Christmas Table Centerpieces, which will be sold by the chil-

The Ann Rutledge PTA held their meeting, Monday, Nov. 11. The meeting was opened with the pledge to the flag, led by the president, Mrs. La Verne Harmon. The PTA prayer was read by Mrs. Lee Gericke. Jerome Weidman and a team of athletes from Lincoln-Way high school put on a physical fitness demonstration.

The PTA will have a doughnut sale on Saturday, Dec. 7. Chairman for the sale is La Verne Harmon assisted by Sam Griggs, Donald Schofield, Dennis Wheeler and Mr. and Mrs. Robert White.

The room count was won by Mrs. Frances Feeley's first and second grade room.

The next meeting will be the annual Christmas party with gift exchange.

Hosts for the evening were Charles Jones, Sam Griggs, Dennis Wheeler and Cal Heath Jr.

Mrs. Madilyn Wilson of Phoenix, Ariz., died Saturday, Nov. 9. She is survived by her husband Lewis; one son Jack and daughter-in-law Janice; one daughter, Miss Rita Wilson and four grandchildren.

The Wilson's were former residents of Lincoln Estates.

Mr. and Mrs. George Kaehler were dinner guests of Mr. and Mrs. Robert Hanson of Chicago, Saturday evening.

enable the entire families of the girls to attend their proud moment.

There will be refreshments served to all the guests and the girls. The girls would like to have all their families turn out for this event.

The second Brownie Scout Troop Number 332 will also have their investiture ceremony at the school in the all-purpose room. Their ceremony will be held on Friday evening, Dec. 6, beginning at 7:30 p.m.

The troop consists of 24 girls. Of these, six are in their second year of Brownies, and they will receive their one year pin. The other eighteen girls are new to the program and will be officially invested that night.

Beside the investiture ceremony and the first year pins, there will also be the presentation of pins to the four committee mothers at the same program.

The entire family of the girls will be invited to the affair, including both mother and father, as well as the brothers and sisters.

Mrs. Mary Albor and Mrs. Alice Chesnut are the co-leaders of the troop number 332.

The regular leadership training program for scouting leaders in Joliet, is now completed. There will, however, be a continuing program of leadership meetings of the area leaders. These meetings are held on the first Wednesday of each month in the St. John's church at Mokena. At these monthly after-noon meetings, the leaders pool their collective ideas for a better running scouting program for the area. Included in these meetings are leaders from Mokena, Frankfort, New Lenox, and Arbury Hills.

The next meeting of the group will be held in St. John Church in Mokena on Wednesday afternoon, Dec. 4, beginning at 1:15 p.m. until approximately 3:00 p.m.

The Summit Hill Boy Scout Troop Number 10 are being given the honor of presiding at the Flag Ceremony which opens each of the Parent-Teacher Group meetings. Since all of the boys volunteered to participate in the ceremony, the boys are now being picked by patrols.

The troop will dispense with their regular monthly camp out this month, because it would conflict with the Thanksgiving Day holiday.

The Cub Scout Program is now in operation. There are, at present, three dens organized. The three den mothers are: Mrs. Mejdrick, Mrs. Mary Roach, and in a temporary capacity, Mrs. Dorothy Dickerson, who is assisting until January at which time Mrs. Elora Scott will take over that den.

In addition to the weekly den meetings, there is also a monthly pack meeting, and monthly committee meeting. The pack meeting is a general meeting of all the dens at which time there is ordinarily a program presented by the boys. The cubmaster is Eugene Pasky.

The Ann Rutledge recreation club held a square dance Friday evening, Nov. 8 with Eddie Fields doing the calling.

Chaperons for the evening were Mr. and Mrs. Robert White and Mr. and Mrs. Glenn Coburn.

Reading Consultant On School Workshop Program

MRS. DOLORES ANDERSON
Telephone: 485-3651

Miss Hogan, a consultant in the teaching of reading, from the Scott Foresman Publishing Co., Chicago, was in the schools of New Lenox District 122 all day Tuesday, to conduct an in-service education program in the teaching of reading for all teachers, grades one thru six, and for the language arts teachers in the departmentalized junior high school program.

This program was organized as a part of the in-service education program of the school district in which the teachers participate in continuous effort to improve the program of instruction hoping to provide each child with the best possible educational opportunities.

The meeting of the New Lenox Bluebirds was called to order by Gay Facinelli at the Methodist church on Saturday, Nov. 9 at 1:30 p.m.

Robyn Facinelli gave a report on the recent fashion show at Francis field.

It was suggested that the club have a bakery sale or sell candy as a means of making money. It was reported that \$50 was made last year from selling candy.

There will be a hike at Pilcher Park on Saturday, Nov. 23. The girls will meet at the Methodist church at 1 p.m. Mothers of the girls will drive them to the park.

Refreshments will be served at the church after the hike. Cindy Reiter gave a demonstration on bandages and dressings. Leslie Hauck, how to needle point; Marion Neutzman, blindstitching a hem; Judy Leonhart, handicraft; Cathy Fritz, Sherry Jencon and Marion Neutzman all received sterling silver pins for being the best girl for her year. Robyn Facinelli received a pin for being a junior leader.

The \$1 was given for the best costume at the Halloween party given by the club, and was won by Barbara Poole.

Cathy Fritz, Cathy Leonhart and Dorothy Shubert served refreshments. Judy Leonhart led in the recreation.

CHEVROLET

Which type Chevrolet pickup do you need?

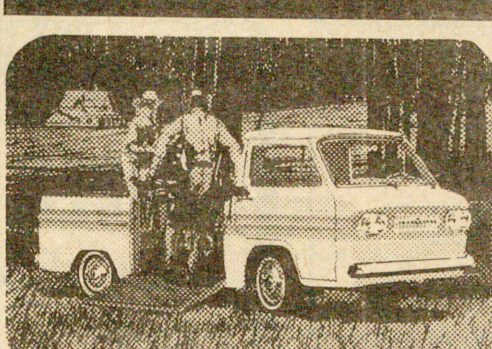

Chevrolet now makes four different types, each with its own distinct advantages. Whichever one you buy will be a lot more truck than your money bought the last time!

FLEETSIDE. Based on sales, the best liked pickup in the world. Outstanding feature is its large body extending clear out over the wheels. Two body sizes. Two wheel-bases. Best riding truck, by far, with coil springs all around and independent front suspension. Cab and body have double-wall construction. Chevrolet Fleetside—best for all-around use.

STEPSIDE. Has flat interior body walls and convenient side steps between cab and rear fenders. Comes in same two sizes as the Fleetside plus one bigger size. Big model has heavier frame, 4-speed transmission and leaf-spring rear suspension for maximum payloads. Standard engine is 230-cu.-in. Six. A 292 Six or 283 V8 is available at extra cost.

RAMPside. Nobody else makes a pickup exactly like this one with a ramp at the side. The ramp makes loading easy because of its 16-inch rise. Truck also has a conventional tailgate. Body and frame-floor assembly are very rigid because they are welded together. Has larger 95-hp air-cooled engine this year. Independent coil spring suspension all around.

EL CAMINO. If you want a pickup as good looking as any car on the road, this is the one! It can work hard, and look like a million dollars doing it—the only pickup in the world with Body by Fisher! You can order an El Camino as plain or as fancy as you wish: bucket seats, air conditioning, 4-speed transmission, power brakes are some of its extra-cost options.

Pastor Shows Slides Of Recent Trip To Africa

VIRGINIA SASS

The Marley Missionary Society met at the Marley church on Wednesday afternoon. Rev. Ian Brown presented a program on his recent trip to Cape Town, South Africa. He showed beautiful colored slides which he had taken en route -- in London, Rome, and in Africa. Thanksgiving devotions were given by Mrs. Herb Crabbs, Mrs. Russell Lauffer conducted the love gift service and offering.

The next meeting will be a Christmas dinner meeting at the church on Dec. 18. A pot luck dinner will be served at 12:30 o'clock. Members are each to bring 50 cents in lieu of a gift exchange, to be sent as a Christmas gift to the children at Lake Villa.

After the meeting refreshments were served by the hostesses, Mrs. Clayton Cleveland, Mrs. William Little, Mrs. Alma Brown and Mrs. O.D. Ferguson.

Mr. and Mrs. Francis Nelson will celebrate their 25th wedding anniversary at an Open House in their home, on Sunday, Nov. 24, from two until four in the afternoon and from seven until nine o'clock at night. All members and relatives are invited to attend.

The George Milton, Jerome Paddock and Willard Rowley Jr. families were called to the church on Wednesday, Nov. 20, to witness the death of Martin Rott. Mr. Rott is the father of Mr. George Milton Jr. His wife was the former Laura Busch of New Lenox. She preceded him in death a few years ago.

Clarence Rowley Sr. has returned from a visit with his granddaughter, Mrs. Joyce, at Carbondale.

The Homer-Lockport Home-Makers Extension unit met Wednesday, Nov. 20, in the home of Mrs. George Volting. The topic, "Christmas Decorations," was presented by local leaders.

Homer Fireflies 4-H members are busy with a fund-raising drive selling toothbrushes and tractor seats.

A fully equipped boat, including motor and boat trailer, was recently stolen from the home of Eugene Chapman, 140th St. and Cedar Rd., where it was parked beside the house. Mr. Chapman estimated his loss at \$1,100.

The Good Luck Camp of Royal Neighbors met Wednesday, Nov. 20, in the home of Mrs. Madelein Welter on Bell Rd. The day was changed to avoid conflict with other things. The next meeting will be the election of officers.

The Pilgrim Fellowship group of Homer Church will attend a meeting of the United Protestant Youth at Fairmont Methodist Church on Sunday, Nov. 24, at 2:30 p.m.

Mr. and Mrs. Steele of DeKalb

Mr. and Mrs. Royal Corpand Combe were guests last Sunday in the home of Mr. and Mrs. William Baughman at Forrest, Ill.

Mr. and Mrs. Daniel Sass, Miss Cora Hynek and Frank Liszt, Sr. spent the weekend with relatives in Michigan.

Miss Bonnie Sprout, who is student teaching at Urbana, spent the weekend here with her parents, Mr. and Mrs. Edward Sprout.

The Twelve Trumpets met Tuesday night at the home of Mrs. John Pecanlak. Prizes were awarded to Mrs. John Riley, Mrs. John Hasbhar and Mrs. Daniel Sass. The next meeting will be the Christmas party at the home of Mrs. Hasbhar.

Charles Sass of Plainfield, N.J., was a weekend visitor in the home of his father, Louis F. Sass.

The Marley Woman's club met on Thursday afternoon in the home of Mrs. Charles Greetz with Mrs. Victor Zaloudek as the assisting hostess. An informative and interesting program on Candles was presented by Mrs. Francis Nelson and Mrs. William Little of the Marley Candle Company. Various table arrangements using candles and different containers were made.

It was decided to give gifts to the patients at the Will County TV Sanatorium and to give a donation to the Easter Seal Center at Christmas time.

The next meeting will be the annual Christmas dinner party. It will be held on Dec. 12 at the Charm Acres tea room on Bruce Road, Lockport. Members are to reveal themselves with gifts to their Secret Pals.

Mr. and Mrs. Victor Zaloudek have returned after spending a week at Detroit, Mich.

Falsifies Tax Exemptions... Gets Jail Term

(CNS) The first local taxpayer charged with turning in a false exemption certificate to his employer, Castinir John Wozniak, 40 years old, 8100 West 107th street, Palos Hills, was sentenced to thirty days in the county jail and placed on two years probation Friday by U.S. District Judge Joseph Sam Perry. He had pleaded guilty. As part of the probation, he was ordered to make restitution of whatever amount the government lost in taxes through the fraud, whereby he claimed four exemptions instead of just one -- himself, being single.

He is a loading dock foreman for Midwest Freight Forwarding company.

CSHS Alumni Makes Study Of Grads

As its first project, the newly formed Carl Sandburg Alumni Association is helping with a follow-up study of two graduating classes, according to James A. Cook, director of guidance at Sandburg.

The research project is designed to gather information from members of the classes of 1956 and 1957 about their progress since graduation, and to determine the success of graduates as a criterion by which we can student cantank more effectively to another student, the fourteen school," Adcock said. "In addition, the alumni association is unentered their time to help attempting to gather accurate information about our graduation school and complete this educational step toward a happy and productive life later on.

According to Mr. A. Hunter Adcock explained that the project would be a continuing study. After the study of the two classes is completed this year, one class per year will be surveyed.

"We have never had a detailed follow-up of a class since graduation. We hope to get 100 per cent response to make this study completely valid. For this reason, it is important that we hear from all the members of the two classes," Adcock said. Mrs. Pat (Duffy) Golas, representative for the class of 1956, has mailed questionnaires to many of her classmates.

ready, Adcock said. He urged anyone who had not already been contacted to write her or call her at 5236 Arbor Lane in Crestwood. Her phone number is FU 8-6760.

The two representatives for the class of 1957 are also beginning their part of the survey. Mrs. Rosemary (Dempsey) Sayles of 215 Hunter Ave., Joliet, and Janet Soss of 179th St. and Wolf rd. in Mokena are drawing up the mailing lists.

Both urged graduates to call them at 815-726-8679 or 5275 in Mokena if they have any information about classmates.

SHS Alumni National Honor Society Members Act As Tutors

Lincoln-Way National Honor Society members are doing their part to help combat the national high school drop-out problem. Under the supervision of guidance counselors Miss Mary Ann Morris and Mr. Martin Mackay, all N.H.S. members have established a student tutoring program to help potential drop-outs since graduation.

Based on the principle that a one criterion by which we can student cantank more effectively to another student, the fourteen school," Adcock said. "In addition, the alumni association is unentered their time to help attempting to gather accurate information about our graduation school and complete this educational step toward a happy and productive life later on.

Kerner Dedicates New NI-Gas Office

Gov. Otto Kerner and Jinx Falkenburg, movie and TV star joined Northern Illinois Gas Co. executives and about 1,200 guests at official dedication ceremonies at the gas company's new general office on Wednesday (Nov. 13).
The governor complimented NI-Gas on its new facility and also thanked NI-Gas officials for the outstanding role the company's area industrial development program has played in aiding the growth of the northern Illinois area.
E. D. Sheehan, NI-Gas executive vice-president, said the new general office is the first building in the U.S. with a fully automatic, natural gas total energy system. He noted that gas supplies all the energy needs of the building -- heating, cooling, and all electricity, including high frequency lighting.
Sheehan said the entire facility, including the 112-acre site at the East-West tollway and Route 59 near Aurora, plus all the buildings, improvements and the experimental equipment cost approximately \$4 1/4 million.
The Right Rev. Abbot Gerald Benkert, O.S.B., abbot of Marmon Abbey and president of Marmon Military Academy, Aurora, gave the invocation.

MR. AND MRS. EVERETT CREER

Diane Schoen, Allan Creer Wed In St. Peter's Church

At a 7 o'clock candlelight ceremony the evening of Oct. 19 in St. Peter's United Church of Christ, Frankfort, Miss Diane Schoen became the bride of Allan Creer.
Rev. LaVern Smith officiated at the wedding service uniting the daughter of Mr. and Mrs. Walter Schoen, Frankfort and the son of Mr. and Mrs. Everett Creer of Mokena.
Kay McAbee, organist, accompanied Arthur Lambrecht soloist in traditional wedding selections.
Escorted by her father, the bride wore a floor length gown of white silk tulle with a lace collar and a chapel-trained skirt.
Fashion details were a scooped neckline, long tapering sleeves and a chapel-trained skirt.
An aurora borealis crown held her silk illusion veil in place and she carried a cascade of white orchids and stephanotis.
Miss Leanne Schroeder, maid of honor, wore a sapphire blue peau de tulle sheath with a tunic over-skirt. A tiara in a matching blue enhanced her tresses, and she carried a bouquet of white fuji mums.
Dressed identically with the maid of honor were the bridesmaids, Miss Carol Schomwise and Mrs. Jeanette Elwell, cousin of the bride. Flower girl was Debra Pomykala, cousin of the bride. She wore a full skirted short dress of similar design and carried a basket of rose petals and white mums.
Dale Schoen, brother of the bride attended as best man. Groomsmen were William Alexander and James Markstrom. Ushers were Glenn Warning and James Tilsy.
A reception followed at the Peotone Atrium, with 400 guests in attendance.
Mrs. Schoen, mother of the bride greeted guests wearing a beige silk sheath with matching accessories. The bridegroom's mother, Mrs. Creer, wore a crepe toast sheath with matching accessories. Both mothers wore symblidum orchid corsages.
Following a wedding trip the newlyweds are now residing in Frankfort.

**Buick Agency Uses
New Service Plan**

Most unique of the features which combine to make Bauer Buick, 154th Street and Dixie Highway, Harvey, one of the Nation's outstanding sales agencies is its service department, developed after a two-year survey by the firm's president, Richard Bauer, of many outstanding agencies.

On the theory that a customer becomes a prospect for a new or used car sale when his demands for service have been satisfactorily met, Bauer accomplishes this by providing the finest and fastest service possible through a combination of trained personnel and the finest equipment the automotive engineering field makes available.

The extent of Bauer concentration on service becomes immediately obvious when it is pointed out that 75 per cent of the floor space encompassed in the new installation is devoted to this facet of the business. It consists of a 24-car "quick service" building for light repairs and maintenance requirements such as tune-up, light engine work, lubrication, washing and other services generally minor in character.

What makes the Bauer system different is simply the reduction in waiting time for the customer, his ease of entrance and exit, and, importantly, his comfort.

**SILVER WEDDING** - Mr. and Mrs. Glenn Schroeder will celebrate their 25th wedding anniversary with "open house" Sunday, Nov. 24 from 2 to 5 p.m. at St. Peter's United Church of Christ, Frankfort. All friends and relatives are invited. The Schroeders were married Nov. 20, 1938 at St. John's United Church of Christ, Mokena. Their daughters Willa and Milda will help them celebrate the occasion.

Thursday, Nov. 28 at 9:30 a.m. Union Thanksgiving service at Green Garden Methodist church.

Here's How To Get Free Thanksgiving Turkey

Residents in the area embracing New Lenox, Frankfort, Mokena, Orland Park and Tinley Park have an opportunity of getting a free turkey for Thanksgiving. Twenty-four merchants in the area are giving away these birds.

One does not have to buy anything nor be present when the drawing is made. All one has to do is go into places of business listed on the "Turkey Page" in this week's edition of this paper and register. To make it easier just clip and fill out the coupons on the "Turkey Page" and deposit them in the business firms listed. Coupons must be deposited, however, by adults.

The drawings for the turkeys

will be conducted on Nov. 25. Business firms participating are:

Mokena Sales, Welsch Lumber, New Lenox Lumber, New Lenox State Bank, LincolnWay Savings and Loan Ass'n, Abe Frank Liquors, Braun Sales, Elliotts Drugs, Hawkins 5 & 10, Normans Cleaners.

Orland IGA Foodliner, Country Casuals Inc., Orland State Bank, The Bootery, Frankfort State Bank, Economy Super Mart Inc., Kirks Drive-In, KC's Orland Palos DX Station.

Orland Hardware, Bremen State Bank, Tinley Park Laundromat, 5-Hour Cleaners, Walt's Phillips 66 Service Station, Tinley Park TV.

Palos Golf Club Gets Permit For Reservoir

(CNS) - The Palos Country Club golf course last week took out a building permit for a water reservoir for a club house sprinkling system, valued at \$25,500.

The course is located on the southwest corner of 131st St. and Southwest highway, Palos township.

Contractor will be the Fire Protection Co., 6601 S. Narragansett ave., Chicago.

Other building permits issued by the county building department last week by townships are:

Bloom Township: Addition to the existing plant warehouse on the west side of State St., south of 26th St., by Gooder-Henrichsen Co., Inc.; contractor: Gaskill and Walton Co., Crete, estimated value: \$85,000.

Room addition to caretaker residence on northwest corner Cottage Grove and Glenwood-Lansing Rd., by Mark II Stables, Inc., Glenwood, PO Box 264; contractor: Kenneth Clinton, Sauk Village; value: \$5,000.

Residence on north side of Lincoln Highway, west of Torrence ave., by John Mehay, Inc., 8936 S. Burley; contractor: Aurich Builders, Inc., 3640 Chicago ave., Lansing; value: \$18,000.

Office addition on east side of

State St., 1/4 mile south of Joe Orr Rd., by Certain-Tweed Products, Chicago Heights; value: \$15,800.

Worth township: Garage at 5806 W. 89th st., by Vernon Richards; contractor: Danley Lumber Co., 49 E. Burlington, Westmont; value: \$1,800.

Residence at 9534 S. Merton by Casual Homes, Inc., 5757 W. 95th St., Oak Lawn; value: \$18,600.

Garage at 12506 S. Moody by L. Lossoneur; contractor: Ed Mozen, 131st and 81st ave., Palos Park; value: \$2,600.

Bremen township: Garage at 13734 S. Lawler by Tom Mann; value: \$1,800.

Addition to residence at 15516 S. Western Ave., by Joseph and Ann Frankowski; contractor: Joseph Benacka, 15525 Western; value: \$3,600.

Lemont township: Residence and demolish abandoned house at southeast corner 127th St. and Smith Rd., by Muriel B. Jacobson, 170 Archer Ave., Lemont; contractor: Raymond T. Biennat, 214 Greenview Circle, Joliet; value: \$11,800.

Orland township: Garage and carport at 13600 Elm, by Marvin Blummer; \$1,000.

Hang On, Here We Go On The Pinballs Again

(CNS) - Sheriff Richard B. Ogilvie Thursday received a perious setback when Superior Court Judge John J. Lupe issued a permanent injunction restraining the Sheriff's office from seizing pinball machines in the county.

The injunction upheld the petition of Vernon J. White, owner of the A & W Electric Co., 6314 Harlem Ave., Summit and Ella Mrkvicka, of 7446 W. Archer, Summit, who filed the suit after Ogilvie's "raiders" picked up a "Bally Beach Time" pinball machine at Mrs. Mrkvicka's grill on June 11, 1963. The machine, "a coin in the slot" device, was owned by White.

Judge Lupe ruled that the pinball machines were not gambling devices under the new state gambling statute. He said that the new legislation had changed three words describing devices that paid out "coins, tokens and merchandise" to read "money, property or the right to receive money or property."

The machines give replays to the players with high scores and these replays do not constitute gambling, he ruled.

Judge Lupe, in upholding the recommendations of John F. O'Toole, a superior courtmaster in chancery, also ordered that all pinball machines be returned to the respective owners within five days.

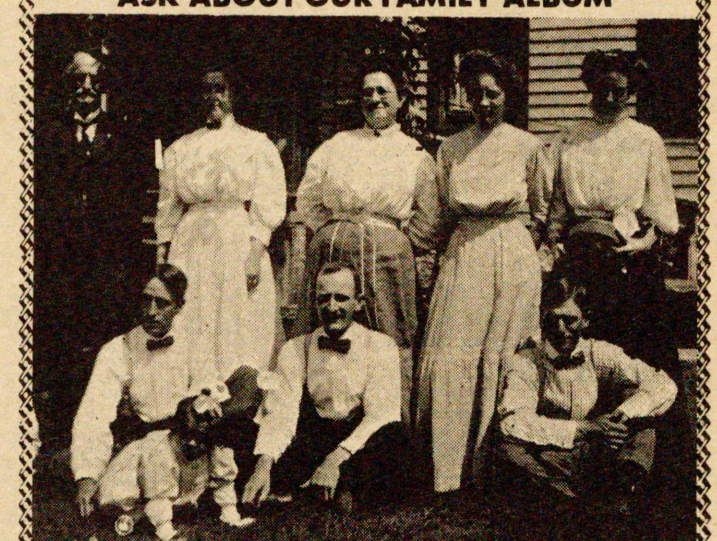

After the suit was filed by White, 49 other users of pinball machines joined in the suit.

"Didn't think you'd mind—it makes a handy shopping cart."

Yes, many of our prescription customers come to TINLEY PARK DRUGS because of our LOW PRICES.

But not for Low prices alone.

More important - to them and to us - is the QUALITY of our prescription service.

There Is No Finer.

WE WILL BE OPEN THANKSGIVING DAY 10 A.M. TO 6 P.M.
